SCHOOL CODE : 30421

ANNUAL REPORT: 2020 - 2021

Good wishes to one and all,

Honorable President, Secretary, Parents, Teachers and my dear students. I am here to present the Annual Report of Sadhvi Preetisudhaji International School, Pimplas, Rahata for the Academic year 2020-21. My report is based on “Seven wonders of SPIS. The first wonder of SPIS is Discipline. Discipline is our first preference. Because discipline makes our life complete and give the proper direction. The secret of discipline is motivation. One has to be self-motivated and self-driven, for this my students are showing the self-discipline in their behavior, characters, and respects as well as in studies. Even my teachers are also paying more attention on discipline of child. I am very proud to say that my school is one of the most disciplined schools in this locality.

The second wonder of SPIS is Academic achievements. For the academic achievement of each and every student, the management, I and teachers are always trying hard to make our students enrich with more knowledge and concepts. For that we are making use of library, smart class, arranging training sessions, practical's by giving easy and simple example of our daily life to understand concept clearly. Academic achievement represents performance out comes. It should be considered as different domains of learning. This can be achieved by the quality of my teachers. So I would like to thank them.

The third wonder of SPIS is competitive exams. Every year, maximum students participate in different competitive exams like SOF, Elementary and Intermediate Grade Exam, Scholarship Exam, Indian Talent Exam. I request all the parents to

encourage their child to take part in these competitive exams to gain the experience and this experience will definitely help them out in their future life.

Sport is the fourth wonder of SPIS. Sport is one of the most important part of life. It makes our students healthy and strong. Due to this student get relaxed from their studies.

Celebrations of festival are the fifth wonder of SPIS. Celebrating events and festivals in schools have become an integral part of learning and building a strong cultural belief in a child. Sadhvi Preetisudhaji International School encourages students to embrace other traditions and culture. Children celebrated this festival with great pomp and gaiety. Such celebration builds relationship and friendship and also will bring happiness and love amongst the students.

Sixth wonder of SPIS is Co-curricular activities. Co-curricular activities are meant to bring social skills, intellectual skills, moral values, personality progress and character appeal in students. It includes athletics, cultural events, Library activities, science lab activities, classroom activities, creative arts and meditation etc. These activities are important with academics to increase physical and mental health for improving learning experience and to develop team leadership skills. We had conducted these activities throughout the year.

The last and the best wonder of SPIS is grade tenth batch. All my teachers, management, parents cooperate with each another. We had arranged expert teachers training programme and solved lot of practice papers. But unfortunately, CBSE has cancelled Annual Board Exam of Std X because of Covid-19 Pandemic. Still I am very much confident that the result of this batch also will be very good and all students will come with flying colours.

I wish to take this opportunity to express my sincere thanks to all my staff members with whose cooperation we have been able to carry out all programmes and academic activities. I avail this opportunity today to express a heartfelt thanks to our President of the school for his trust in our hard work and self-reliance, which has

boosted our efforts to make our school one of the best schools. And I also thank our Manager for his constant support and guidance in all matters concerning school management. Annual day programme not only provides a platform for the students to showcase their talents but gives an exposure and experience to know various performing arts and the ability to perform in diverse mediums. At last, I am very much thankful to the entire parent for their continuous support.
